## Poditivity Internship Completion Document

---

Date: 23-5-2024

To Whom It May Concern,

This is to certify that Ms.Manasa Mateti has successfully completed her internship with Poditivity as a Web Development Intern. Her internship duration was from November 2023 to April 2024, spanning a period of six months.

During her internship, Manasa demonstrated exceptional skills in web development and made significant progress in backend development. She exhibited a strong work ethic, a willingness to learn, and a collaborative attitude that greatly contributed to the success of our projects.

Key Contributions:

1. Web Development:

- Developed and maintained several web pages and features.
- Improved the user interface and user experience of our platform.
- Implemented responsive design techniques to ensure compatibility across various devices.

2. Backend Development:

- Assisted in the initial setup and configuration of backend infrastructure.
- Collaborated with senior developers to design and develop backend functionalities.
- Worked on API integrations and database management.

Manasa's contributions have been invaluable to our team, and we look forward to seeing her continued growth in her new role.

Sincerely,

Thakur Prashanth
